# Software for access rental management

IPAF members can now claim a 10% discount\* on rental management software from inspHire.

As a world leading supplier of Windows software for rental and asset management, inspHire understands all your business needs. From single-site companies to multi-national organisations, inspHire offers comprehensive, simple-to-use software to track equipment, streamline customer service and analyse profitability.

### Meeting every need

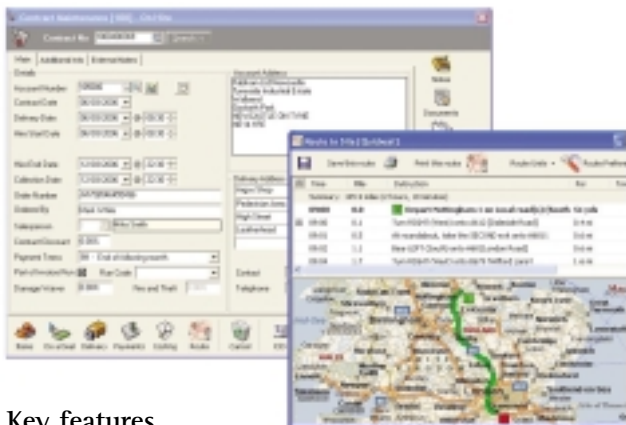

- Easy to use
- Comprehensive features include reporting and business analysis data
- Integrates easily with leading accounting packages
- Flexible to meet all business needs
- Market leading - already used by six of the ten most profitable UK access companies
- Tailored to the specific needs of the access rental industry

More details see overleaf or

[www.ipaf.org](http://www.ipaf.org)

\* Available on both Office and Corporate edition software licences but not usable in conjunction with any other offer from inspHire

## Key features

- Service scheduling
- Pre-delivery inspections
- Monitoring machine certification data
- Tracking tools to improve service levels - a key requirement of IPAF Rental+ accreditation

## Secure your business advantage

To find out more about how inspHire's rental software can give your rental business the edge and take advantage of your 10% discount, contact inspHire directly, quoting your company name and IPAF membership number.
