Membership Services

Access your customers' own language

In today's global marketplace, speaking your customers' language is crucial. So IPAF Membership offers preferential rates – with savings up to 60% – on translation services specifically tailored for our industry.

ToLocalise, owned by DDMA Media, has worked with IPAF on its own multilingual translations for many years. Its industry knowledge ensures accuracy and consistent terminology across all documents from technical manuals to marketing literature.

Key benefits include:

- Quality assurance and quality control processes
- Reduction of translation costs of up to 60%
- Seamless order system
- Assured confidentiality of service
- Access to the IPAF multilingual glossary
- Access to members' web area
- Industry-specific knowledge and experience
- Accuracy and consistent terminology
- Dedicated translation teams with single point of contact for IPAF members
